Another CARF accreditation has come and gone, and once again we have been awarded our three-year accreditation with a 99.8% rating!

Congratulations and a huge THANK YOU to all of COI's staff for everything you do for our clients!

Caldwell Opportunities was pleased to have an information booth set up at the Butterfly Festival in downtown Hudson this year to spread the word about our services!

If you or anyone you know is interested in our services, please contact Ashley Laxton or AmBrea Williams at 828-757-5680!

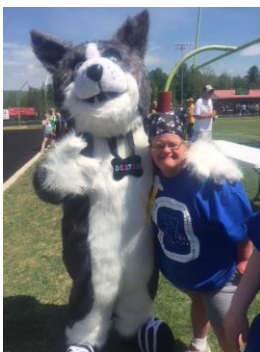

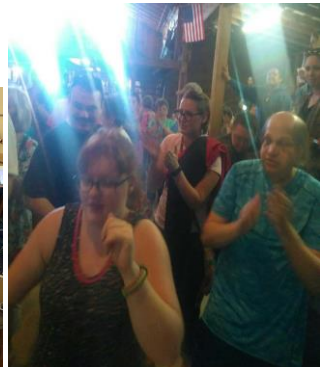

We are pleased to welcome Christine, Phyllis, and Annette to our team at Caldwell Opportunities! We would also like to congratulate Wendy on accepting the COI teacher position! We appreciate all the hard work she puts into planning activities and developing classes for our clients!

January-June 2018

The beginning of this year has been filled with many activities for our clients! So far this year, clients have visited local artist, Charlie Frye, at his downtown studio, visited the Caldwell County Heritage Museum, visited local green houses to learn about the plants being grown, celebrated the Kentucky Derby, honored Dr. Seuss on his birthday by reading his books and making character-related crafts, tended a vegetable garden at the Community Garden, and much, much more! Of course, they have also gone to the annual Crawdad's baseball game, had an annual Fourth of July picnic (a few days early!), visited Bo's Bowling Family Fun, participated in spring Special Olympics and socialized at Sims Barbecue with their peers! It has been a busy and fulfilling start to our year here at Caldwell Opportunities.
